

# A world free from malnutrition

*Sight and Life* is a humanitarian nutrition think tank delivering innovative solutions to eliminate all forms of malnutrition in children and women of childbearing age and improve the lives of the world's most vulnerable populations.

Acknowledgement

We would like to sincerely thank all the people and organizations that contributed to the Special Report. A particular “thank you” goes to Spencer Kirk, Kirk Humanitarian, for making this publication possible and to Katharina Lichtner, Family Larsson-Rosenquist Foundation, for making copies of this Special Report available in print. We also owe a debt of gratitude to Quinn Harvey, Kristen Hurley and Clayton Ajello, from Vitamin Angels for their invaluable editorial support, and to Nola Martin and Rebecca Olson, *Sight and Life*, and Jordan Treible, GMMB, for their communications support.

Opinions, compilations and figures contained in the signed articles do not necessarily represent the point of view of *Sight and Life* and are solely the responsibility of the authors.
